

# Notice to Swansea Mews tenants Need for temporary accommodation

**Thursday, June 23, 2022**

Toronto Community Housing (TCHC) is aware of a letter sent to Swansea Mews tenants from the City of Toronto's Chief Building Official. The letter includes more information about the emergency order requiring TCHC to vacate Swansea Mews because of unsafe structural conditions recently found in all Swansea Mews buildings. The letter also states the City's intent to apply for a court order to enforce the emergency order.

**This is what that means:** The City has declared all homes in Swansea Mews to be unsafe for people to live in. Both the City and TCHC know how disruptive this is to your household, but for your health and safety it is imperative that you move to temporary accommodation immediately.

If you haven't left Swansea Mews yet, we have temporary accommodation available right now for your household.

## **Questions?**

If you have questions about their notice, the City of Toronto has requested you contact **3-1-1**.

If you have questions about temporary accommodations, contact the TCHC Swansea Mews hotline at **416-945-0900** or [swansea.mews@torontohousing.ca](mailto:swansea.mews@torontohousing.ca).
