Firgrove Master Plan open house

Toronto Community Housing Corporation (TCHC) held an open house on January 22, 2019, to present the preferred Master Plan for the Firgrove revitalization. The open house was organized as a drop-in event, where current and relocated tenants were invited to see the revised plans and ask TCHC staff questions about the revitalization.

In addition to the Master Plan, the open house featured various information stations, covering Needle Firway refurbishments, community safety and tenant engagement.

TCHC thanks all tenants and community members who attended the open house and participated in the activities. A big thank you also goes to the FLICC Café for preparing and serving the delicious refreshments at the event.

What's next?

Tenant engagement

- Engage tenants on the Social Development Plan
- Work closely with the Firgrove tenant advisory committee

Community engagement

- Engage members of the broader community
- Hold public consultation meetings with the City of Toronto

Master Plan details

- Work with tenants on master plan details (unit designs, park facilities and landscaping)

Festive season party

A festive season party was held at the Firgrove Learning and Innovation Community Centre (FLICC) on Saturday, December 15, 2018. Tenants were able to mix and mingle with neighbours and TCHC staff, as well as participate in festive activities such as card making and singing holiday songs. The FLICC Café also prepared and served a hearty meal for the occasion.

Before the party was over, Santa Claus himself made a special appearance at the FLICC. Santa and his elves handed out presents to the patient children and youth waiting for his arrival.
