

Facilities Management Staff Directory

Our team's mission is to find and use cost-effective and sustainable solutions to help maintain properties across the city. To do this, the division is structured in three business units: operations, engineering, and capital planning. Together, our staff focus on areas critical to preserving and maintaining properties across the city.

If you have questions related to tenant service or maintenance, please call the Client Care Centre at 416-981-5500.
