This Addendum forms part of the above mentioned RFQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supersede the information contained in the original RFQ documents issued for the above-named project to the extent referenced and shall become part thereof.

The following information supplements and/or supersedes the RFQ document issued on June 04, 2020

### 1. RFQ TIMETABLE

- a. **The Submission Deadline**, as stated in the RFQ Timetable, has been changed to Wednesday June 24, 2020. The closing time remains the same at 2:00:00 p.m. Toronto time.

### 2. QUESTIONS

**Q1.** Ricoh's intention is to respond with a Ricoh solution based on the Workplace Print and Services VOR # 11359 with the Province of Ontario.

Will TCHC accept competitive quotations for the Xerox Altalink C8055, based on the Workplace Print and Services Vendor of Record pricing and program with the Province of Ontario, under the Ministry of Government and Consumer Service? We need confirmation that our quote will not be rejected if we submit a quote based on the WPS VOR, and not a quote on the Xerox Altalink C8055.

**A1.** TCHC's current RFQ request is for Xerox Altalink C8055 model.

**Q2.** Currently you have restricted your RFQ to one vendor, Xerox. We were wondering if you would consider alternative equivalent vendor product bids for this RFQ so long as it met the same basic specifications?

**A2.** Please see A1 above.

All other terms and conditions remain the same.
