RFVQ 20282–4 – Fire Alarm Installation Upgrades – Roster Establishment – Ongoing Application Process

Notice to Proponents:

Under the Ongoing Application Process for this Roster, Proponents may apply for inclusion on this Roster by submitting a Proposal to TCHC by the deadline published as part of the following RFVQ Key Information. “Ongoing Applications” are reviewed annually. Ongoing Applicants are required to meet the same criteria as the Proponents who pre-qualified for this Roster in a previous year.

TCHC will notify Proponents who successfully pre-qualify under RFVQ 20282-4 – Fire Alarm Installation Upgrades – Roster Establishment, once the evaluation process is completed. **Proponents who successful qualify for the Roster do not need to reapply.** If a Proponent is not successful, however, the Proponent may reapply to the Roster through the Ongoing Application process.

Refer to the RFVQ Main Document for more information.

Thank you for your continued interest in TCHC.
