
Addendum Number	5
Addendum Date of Issue	May 25, 2021
RFI Number	20264
RFI Description	Construction Risk Advisory Services
Page(s):	1
Attachment(s):	0

This Addendum forms part of the above mentioned RFI document and is to be read, interpreted, and coordinated with all other parts. The following revisions supplements and/or supersedes the information contained in the original RFI documents issued on April 21, 2021 for the above-named project to the extent referenced and shall become part thereof.

1. QUESTION AND ANSWER (answer in bold)

1. In the RFI timetable it suggested that the NDA be submitted by April 28 2021. Where can the NDA be found, and if the NDA is not submitted by the stated deadline is there still an opportunity to bid for this RFI?
The NDA Submission Deadline has been removed as communicated in Addendum 3 which was issued on May 3, 2021. As the NDA Submission Deadline was removed, Respondents are allowed to submit their responses up until the Deadline for Submission. Bonfire will prompt all Respondents at the landing page of the opportunity, to first sign the Non-Disclosure Agreement electronically prior to accessing any documents, information, accessing the public files folder or using themessaging function to communicate with TCHC in Bonfire.

All other terms and conditions remain the same.
