1) QUESTIONS AND ANSWERS

Q1) Is the idea that we will see all of the lobbies at the site visit, and therefore would be driving between each site, or, are you giving a presentation about all 4 in that Group?

A1) The mandatory Information Session for each Group will include only the lobby for that specific location. The optional Information Sessions for the remaining three locations for that same Group will take place after the mandatory Information Session and the order of locations will be provided during the mandatory Information Sessions. Proponents are required to travel to each location.

All other terms and conditions remain the same.
