Addendum Number	6
Addendum Date of Issue	April 27, 2021
RFP Number	21010
RFP Description	Commercial Laundry Appliances
Page(s):	1
Attachment(s):	n/a

This Addendum forms part of the above mentioned RFP document and is to be read, interpreted, and coordinated with all other parts. The following revisions supplements and/or supersedes the information contained in the original RFP documents issued on February 23, 2021 for the above-named project to the extent referenced and shall become part thereof.

1. QUESTIONS AND ANSWERS (answers in bold)

1. With respect to the townhouses or in addition to the town housing units. How many townhouses have in-suite laundry, and is the successful Proponent required to enter the individual units for service/collection?

A: Entry would only be required for service. The townhomes with card readers are indicated on Appendix C2.

2. Based on the updated Appendix C – Inventory Listing that TCHC has provided in regard to the current equipment configurations; to continue to meet TCHC requirements, is the expectation moving forward that the Proponent follow the same equipment configurations as far as the top load and front load quantities for each location?

A: For the purpose of the RFP submission, the quantities on the inventory listing should be considered. Any changes of laundry equipment configurations will be discussed with the successful Proponent.

All other terms and conditions remain the same.
