<b>Addendum Number</b>	4
Addendum Date of Issue	March 10, 2022
RFPQ Number	22040
RFPQ Description	Underground Garage Restoration Projects including 3725 & 3735 Dundas St. W
Page(s):	2
Attachment(s):	n/a

---

This Addendum forms part of the above mentioned RFPQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supplements and/or supersedes the information contained in the original RFPQ documents issued on February 08, 2022 for the above-named project to the extent referenced and shall become part thereof.

## 1. CLARIFICATION

### 1. Addendum #2 Question #4:

Could you please confirm if any repairs during phase 2 or phase will be completed in the hallways within the garage or any rooms located in the garage that are not used for parking for example the "lunch room". Or are the repairs strictly in the parking areas.

**Updated response –Concrete repairs to any room underneath the garage podium roof slab or P1 suspended slab including the mechanical/electrical rooms may be required. There will be no concrete repairs required to any room which is underneath the footprint of the high rise building.**

### 2. Submission Form F – Rated Criteria - Section 1.0 –Relevant Project Experience:

- a. Copy of Submission Form B – TCHC Contractors Qualification must be submitted in Stage 1 – Mandatory and as part of this question (Section 1.0 –Relevant Project Experience);
- b. A maximum of two (2) additional pages of project information can be submitted for per project example along. This additional information should address the points outlined in the rated criteria question; and
- c. A maximum of one(1) page of photos for each project example will be evaluated.

To clarify a total of three (3) additional pages can be submitted for each of the five (5) project examples requested.

A total of fifteen (15) pages will be accepted for this section along with Submission Form B – TCHC Contractors Qualification Statement. Additional pages will not be considered.

All other terms and conditions remain the same.
