---

This Addendum forms part of the above mentioned RFQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supersede the information contained in the original RFQ documents issued for the above-named project to the extent referenced and shall become part thereof.

The following information supplements and/or supersedes the RFQ document issued on **November 05, 2018**.

#### **1. QUESTIONS & ANSWERS/CLARIFICATIONS**

Q1) Do you want sealed AGM batteries with the stand on scrubbers and walk behind scrubbers?

**A1) Yes, we require sealed batteries.**

Q2) Does overall length of products proposed matter i.e. will they turn in your hallways?

**A2) Length of the Stand On Scrubber shouldn't matter if the pad is a 20".**

Q3) In regards to RFQ 18382 portion of stand on scrubbers, would ride on scrubbers be considered instead of stand on scrubbers if the specifications and price are the same or would a quote on walk behind only be accepted?

**A3) Ride-On Scrubbers will not be considered due to space constraints. We require walk behind and stand on scrubbers only.**

Please feel free to contact me with any of your questions.

All other terms and conditions remain the same.
