
Addendum Number	One (1)
Addendum Date of Issue	April 23, 2019
RFQ Number	RFQ 19149
RFQ Description	RFQ 19149 – Supply of Boilers at 10 Deauville Ln.
Page(s):	Two (2)
Attachment(s):	N/A

This Addendum forms part of the above mentioned RFQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supersede the information contained in the original RFQ documents issued for the above-named project to the extent referenced and shall become part thereof.

The following information supplements and/or supersedes the RFQ document issued on **April 09, 2019**.

1. QUESTIONS & ANSWERS

Q1. Will there be any chimney work in RFQ 19149 once the boilers are in place?

A1. Boiler venting shall all be replaced with new.

Q2. Is there an existing building automation system at this location and will the boiler controls be integrated into the existing system or will a new system be installed?

A2. The building is currently tied to an existing Honeywell BAS. The network card shall be upgraded as part of the base scope. Refer to the specifications in the tender package for exact details.

Q3. Please clarify if this tender shall be quoted only by mechanical contractors, or boiler vendors can also directly quote this job to TCHC.

A3. The project has been posted as a public tender. There are no stipulations on which vendor(s)/contractor(s) can bid on this project, so long as the vendor(s)/contractor(s) are able to meet the objectives and deliverables of the RFQ.

Q4. RFQ 19149 has tender documents posted that contain a full set of mechanical drawings and specifications for a complete project tender. Can TCHC please clarify and confirm if we are to provide a full tender or just supply the boilers?

A4. The Proponent shall be responsible to supply and deliver the equipment into the Penthouse Boiler Room. The Proponent shall also be responsible for commissioning the equipment and training of staff.

All other terms and conditions remain the same.
