
Addendum Number	1
Addendum Date of Issue	November 22, 2019
RFQ Number	19432
RFQ Description	Storm Water Drainage Improvement at 271-311, 202-310 Grandravine Drive
Page(s):	1
Attachment(s):	n/a

This Addendum forms part of the above mentioned RFQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supersede the information contained in the original RFQ documents issued for the above-named project to the extent referenced and shall become part thereof.

The following information supplements and/or supersedes the RFQ document issued on **November 07, 2019**.

A. QUESTION AND ANSWER

1. **During construction, we have to disconnect existing sewer drainage from building and do some work; my question is how tenants would stay without toilets, sinks etc., Do we need to build or reconnect pipes for the temporary use? Please clarify.**

Answer:

Scope is only for STM piping. Does not include SAN, therefore no disconnection of toilets, sink etc.

All other terms and conditions remain the same.
