
Addendum Number	1
Addendum Date of Issue	February 18, 2020
RFQ Number	20038
RFQ Description	Supply and Delivery of Boilers and Mechanical Supplies - 675 Kennedy Rd.
Page(s):	2
Attachment(s):	n/a

This Addendum forms part of the above mentioned RFQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supersede the information contained in the original RFQ documents issued for the above-named project to the extent referenced and shall become part thereof.

The following information supplements and/or supersedes the RFQ document issued on **February 14, 2020**.

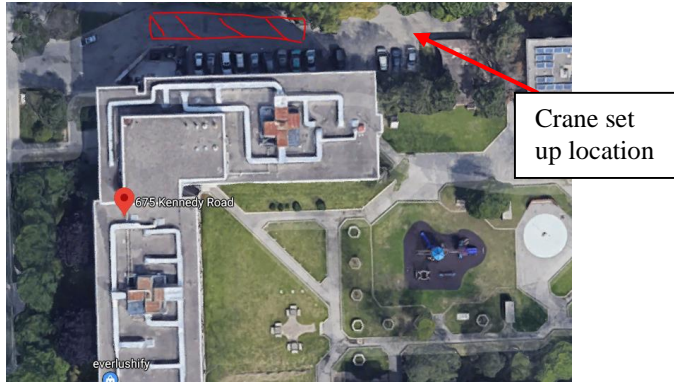

1. QUESTIONS AND ANSWERS

Q1. Will Patterson Kelley PK MACH be accepted? It is Aluminum heat engine and not SS as requested in the form. Please advise.

A1. No. Boilers with copper or aluminum heat exchanger will not be accepted.

2. CLARIFICATIONS

- a. New mechanical equipment (Boiler, Hot water tank) shall be craned to higher roof beside boiler room. Crane set up location shall be on the north side of the building. Contractor shall carry all associated cost in tender price. Contractor shall site verify craning location and schedule equipment delivery with TCH prior to conduct the work. Minimum 1-week notice shall be provided before craning.

All other terms and conditions remain the same.
