Addendum Number	2
Addendum Date of Issue	March 27, 2020
RFQ Number	20031
RFQ Description	Protective Body Armour and Use of Force Equipment
Page(s):	1
Attachment(s):	n/a

This Addendum forms part of the above mentioned RFQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supersede the information contained in the original RFQ documents issued for the above-named project to the extent referenced and shall become part thereof.

The following information supplements and/or supersedes the RFQ document issued on February 27, 2020

1. RFQ TIMETABLE

- a. **The Submission Deadline**, as stated in the RFQ Timetable, has been changed to Tuesday, May 12, 2020. The closing time remains the same at 2:00:00 p.m. Toronto time.

2. QUESTIONS AND ANSWERS

- Q1. Please confirm on the price list that item 6 should actually read Scabbard 21" and item 7 read Scabbard 26".
- A1. **The Scabbards are represented in the same order on the Scope of Work, Pricing Form, and Sample Form. The Scabbard 26" remains item 6, and the scabbard 21" remains item 7.**
- Q2. Could you define(precise) what is the required size for the body armour sample?
- A2. **In order to provide flexibility to the Proponents, we do not require an exact size. We ask that the sample submitted be between sizes 46-52.**
- Q3. If we understand, you require a black Molle webbing on a Navy Blue carrier. Could you please confirm? We usually offer our customers the same color for the Molle webbing and the carrier.
- A3. **TCHC will accept black and dark navy molle webbing.**

Q4. We would like to request a further extension for a minimum of four (4) weeks. Due to COVID19 pandemic, suppliers are shutting down and are unable to provide samples and pricing as a result. Please advise.

A4. The Submission deadlines has been extended as noted above in Section 1.

All other terms and conditions remain the same.
