1. QUESTIONS AND ANSWERS

1. We noticed in Submission Form B - item 1.0 that it is a Mandatory requirement to be an authorized reseller of HID products. Will the TCHC accept a proposal from a different manufacturer?

TCHC will not accept products from other manufacturers than what is stated in the scope of work. The vendor must be an authorized reseller of HID Global products. The products being proposed must be manufactured by HID and match the HID part numbers being requested. Any non-HID products will not be acceptable.

Furthermore, Proponents must meet all of the requirements of Submission Form B – Mandatory Technical Requirements in the affirmative to be considered for award.

All other terms and conditions remain the same.
