The following information supplements and/or supersedes the RFVQ document issued on November 24, 2020

### **1. QUESTIONS AND ANSWERS**

Q1. In original tender submission form F was a document containing 1 to 7 pgs. In addendum number 3 submission form F rated criteria is on page 30 of 43. (One page only) It refers to the attachment file for submission form F rated criteria for details.(bolded on the last line). There does not seem to be an attachment for the rated criteria for details? Are we supposed to use the details on page 2 to 7 of the original tender submission?

**A1. The Proponents must use the Submission Form F – Rated Criteria posted with the original posting documentation. There has been no updates to Submission Form F – Rated Criteria since the original posting.**

All other terms and conditions remain the same.
