

Addendum Number	1
Addendum Date of Issue	January 17, 2022
RFQ Number	21338
RFQ Description	Supply In-Suite Electrical Lighting Upgrade at 40 Gordonridge Pl.
Page(s):	2
Attachment(s):	n/a

This Addendum forms part of the above mentioned RFQ document and is to be read, interpreted, and coordinated with all other parts. The following revisions supplements and/or supersedes the information contained in the original RFQ documents issued on January 07, 2022 for the above-named project to the extent referenced and shall become part thereof.

1. QUESTIONS AND ANSWERS (answers in bold)

1. Does it matter if there is a single ring or double ring or no ring a possibility?

TCHC is looking for something similar to the picture provided. Single or double ring only

2. Can we use more than one model for the same item to get to the quantity required?

All fixtures per Form C - line item must be the same Model and Specification as requested

3. Can we put in a second quote with different fixtures?

TCHC is not accepting multiple quotes.

4. Can we use the same item for both no. 1) and 2) if it is only one inch less for no. 2) and 2W 300 lumens more for no. 1)

At this time, no.

5. Who is doing rebate application, if any, and the install?

TCHC will be responsible for both.

6. It says deliver materials starting on March 1, 2022. What quantity of each will be required on that date or if that date is flexible at all??

Ideally we would like shipment complete. We would at least need half of each line item on the due date.

7. For the Visioneering 2FT LED Fixture, are you open to alternatives with similar light output / wattage?

At this time, no.

8. May we request one week extension to the bid closing. We are having issues connecting / contacting many of our contractors due to COVID related precautions as many of our contractors working virtual

At this time there will be no extension to the closing date..

9. Please advise if an equal to the Visioneering (LEL24-LED840K020LUNV) will be acceptable.

At this time, no.

All other terms and conditions remain the same.
