

Confronting Anti-Black Racism Strategy

March 2021

TCHC's Strategy for Confronting Anti-Black Racism will drive real change in the experiences of Black tenants and staff through measures to confront the realities of anti-Black racism, dismantle systemic barriers, policies and procedures that reinforce it, and advance the interests of Black tenants and staff.

We are beyond grateful to the more than 600 Black tenants and staff who openly shared their lived experiences during the consultations. The solutions come directly from them, as they are the ones who experience the reality of anti-Black racism.

The strategy is available at torontohousing.ca/CABR. If you would like a printed copy, please call the Client Care Centre at help@torontohousing.ca or 416-981-5500.
