Supports for tenants in mandatory self-isolation

Toronto Community Housing continues to offer supports to tenants who are in mandatory self-isolation. You must stay home and self-isolate when:

- You have COVID-19 or COVID-19 symptoms
- You have been exposed to someone who has COVID-19
- Someone in your household was exposed to COVID-19, has symptoms and is awaiting test results
- You recently returned from travel outside Canada
- You were notified on the COVID Alert app and are awaiting test results

If you or a member of your household is self-isolating for any of these reasons, please advise the Client Care Centre at **416-981-5500** or **help@torontohousing.ca** so we can take safety measures and connect you to supports for daily living needs.

Thank you for helping to keep our communities and city safe. Go to torontohousing.ca/covid-19 to get more information.

Call **416-981-5500** to receive this notice in an alternate language or format.
