

Let your voice be heard: Select your Community Representatives

Toronto Community Housing will host Tenant Elections in your building in November where you can vote for your Community Representative. This is your chance to have your say on who should represent you and your neighbour's interests.

If you have questions about tenant elections, contact your Community Service Coordinator (CSC). If you don't know who your CSC is, contact the Client Care Centre at **416-981-5500**.
