

## Tenant Engagement elections: phase two communities October 2020

---

Toronto Community Housing (TCHC) engagement activities were suspended in March due to COVID-19. As restrictions are lifted and we move into different phases of business recovery, TCHC staff will resume the tenant election process.

Elections and related activities will be done in a multi-phased approach as recommended by the TCHC Board of Directors. This means that the election process and any related engagement activities will be implemented in three phases, with specific buildings starting their elections in each phase.

170 communities are part of phase two; they are listed by region in tables below.
