

Emergency Contact and Special Assistance Information

To ensure your safety during an emergency, Toronto Community Housing (TCHC) needs to collect information about your household and obtain your consent to disclose it to TCHC staff and third parties (police, fire, paramedics, and primary care agencies) who need it to safely evacuate you during an emergency. It may also be used for reporting and life safety compliance tracking purposes. Please read this form, and if you consent to sharing your information for this purpose, complete it and return it to your building superintendent.
