Xeerarka Aasaasiga ah

- Dhawrista mabaadii'da **Cahdiga Kiraystaha**:

Ujeedada Wada Tashiga

- Ujeedada wada tashigaan waa in la siiyo kiraystayaasha fursad ay fikir uga dhiibtaan maamulka guud ee cabashooyinka iyo xalinta.
- Fikir dhiibashadaan ayaa loo adeegsan doonaa in xog lagu biirsho ***Xeerka Cabashada Kiraystaha*** iyo ***Hanaanka Cabashada Kiraystaha***.

Tuubooyinka

- Cabasho waxaa lasoo gudbiyaa marka TCHC aysan buuxin heerarka adeegyada ama himilooyinka kiraystaha.
- Haddii cabashooyinka aan lagu xalin gudaha xarunta, kiraystayaasha ayaa u gudbin kara cabashooda kooxda Xalalka.

Kooxda Xalka ee TCHC

- Waxay maamulaan cabashooyinka aan la xalin ee horay ay usoo gudbiyeen kiraystayaashu
- Waxay korjoogteeyaa Hanaanka Cabashada Kiraystaha si uu ugu dhaco qaab cadaalad, hufnaan leh oo ka caagan musuq
- Waxay adeegsadaan qaab wada shaqayn leh si ay u xaliyaan cabashooyinka ay qabaan shaqaalaha goobta iyo waaxaha kale

Xalinta Cabashada

- Waa muhiim in la qeexo xalka ayadoo la adeegsanaayo fikradaha kiraystayaasheena.

Sidee u eg yahay hanaanka xalinta cabashadu?

Kulannada xal raadinta

- Isla markaba, waxaan kugu daraynaa "kulannada xal raadinta" si dib u eegis loogu sameeyobaarista kiiska loogana jawaabo su'aalaha dooda.
- CSC yada iyo dadka qodobada tacliqiya ayaa soo xaadiri doona si loo fududeeyo wada hadalka loona qoro fikirkaaga.
