## **Objectives**

Toronto Community Housing is establishing Interim Funding Tables to help distribute Tenant Council and Use of Space funds (now known as Tenant Action Funds). These funds will be given to tenants or tenant groups that need resources to address their community priorities.

## Eligibility criteria

All Toronto Community Housing tenants can request resources for projects and initiatives that will respond to tenant identified priorities.

Members of the Interim Funding Tables are not allowed to submit funding requests for initiatives in their community, but members of their community can apply for the Tenant Action Funds.

All applicants must balance previously allocated funds before seeking additional resources. Any tenant that is misusing funds will not be eligible to apply for future resources.
